

UNITS FOR AUDIT* INFORMATION SHEET

SEMESTER 1, 2020

(*study with no assessments)

Welcome to your study journey at Citipointe Ministry College!

This information is made available to advise of the units available for audit in Semester 1, 2020.

This information sheet indicates the units for audit that are offered by the School of Ministries.

To undertake a unit for audit is to engage in the learning of a unit via unit learning materials, readings and activities, but not to complete any assessment tasks associated with the unit. Units for audit do not carry credit towards the completion of CHC course requirements, and individuals who engage in units for audit are not students of CHC or enrolled in any CHC course unless they are otherwise enrolled in a CHC course.

Engagement in units for audit requires access to a computer and a reliable internet connection in order to access unit learning materials and activities.

Where learning resources for units for audit are available via CHC's learning management system (Moodle™), 'guest' access will be provided.
